

## 2018 PURBECK ARCHERS SECRETARY'S REPORT @ AGM

### CONSTITUTION.

At last year's AGM constitution required for NFAS was discussed. Following communication with them I realised we would need constitution to cover separate NFAS and Archery GB. One acceptable to the NFAS was drawn up they approved and on 23/4/17 we held EGM at which constitution was approved by the 25 members present.

### RANGE REGISTRATION.

Archery GB introduced the requirement for all clubs to check their ranges complied with rules as requirement to be covered by insurance and as survey of facilities. We needed inspection from range assessor for PSS as I was unable to confirm we complied. Indoor at PHG was ok. Assessor visited in July and was more than happy with our range.

### KEY HOLDERS.

Have drawn up and will checked list of key holders. Plan to check this at AGM.

### DWWA INFORMATION DISSEMINATION.

I have forwarded some info sent to me by DWWA. Do people want me to continue with this (committee meetings, shoots, other news etc)

### GENERAL DATA PROTECTION REGULATIONS (GDPR)

Have recently received info from Archery GB and even clubs such as us must comply.

Membership Secretary Tina Greenhalgh report currently 48 members
