

PURBECK ARCHERS AGM

The 2018 Annual General Meeting will be held on Sunday February 18th at 10.00am
@ Piddlehinton Gym

Captain / Chairman's Report

Here is my report for this year, which will be my last as I am stepping down as chairman this year.

This year has been busy for the club as we held our first NFAS field shoot

SUNDAY OCTOBER 15TH 2017 Purbeck Archers, Field Shoot.

Which was a big success, and I give a big thankyou to KENN and team for the great work done to organise it, and lot of feedback was given and was all good.

We did the Cattistock Countryside Show and I hear that they have ask us to do it this year.

We also have beginners course's starting soon in April, which a number have already signed up with more, enquires coming in.

I am sorry for not being around a lot this year as other commitments' have crossed over with shooting days.

As you already know I am standing down as chairman and hopefully Kenn who has been doing most things this year will step up and replace me. If he is nominated and voted in as my replacement, you give him all the backing that you have given to me for the last many years that I have lead this Club.

In addition, a big thankyou to all existing committee for their help this year.

AGAIN A BIG THANKYOU TO ALL

John Holt
